First Lutheran Church

February 2018

► Energized and Moving

Being a disciple of Christ, a follower of Jesus, is a free-willed loving and gracious response to a loving and gracious God!

We recently started our new church year, a new year (Welcome 2018), a new congregational year after the annual meeting and a new council. That is a lot over the last couple of months! Can you feel the energy? Can you feel the Spirit moving about? I sure can. Take a look at the narrative budget again and get energized by all that we do, in the name of God, with your support.

We had a great end of the year. What's that, you say? Sure, we came in very strong and that should energize us all. We did not come in as far in debt as we had anticipated. There were a lot of people stepping up near the end. Now to help each of us keep up this energy so we can be in the black by the end of the year.

We have such great opportunities here at First. Now that we are in our congregation's new year, we can continue to grow our congregation, grow in

Youth Leadership Support (cont.) ◀

There are also opportunities for adult leadership lab. This is geared to train adults in not only leading inside and outside of the church, but leading the youth within our congregation. Their costs to attend are the same, but in reality, it is more. Most adults will need to take vacation time from work, to be able to go.

How can you support our youth and adults going to Leadership Lab? Direct donations and support of the fundraisers are greatly appreciated. Supporting the future of our congregation, church and community is greatly appreciated. Do you want more information on Leadership Lab?

Check out www.leadershiplab.net and www.facebook.com/leadershiplab. There you can find pictures, videos and detailed information.

► Youth Leadership Support

There will be fundraisers to help defray the costs of Leadership Lab. Once the youth is paid for and registered, we want to be able to rebate some of the cost back to the parents. Help support our youth when these fundraiser opportunities arise. What is Leadership Lab?

The older get older and the younger get older, and eventually the youth of today are the older ones of tomorrow. For wise leadership both inside and outside of the church, skills need to be acquired. There need to be people that know how to lead others to accomplish God's tasks for us here on earth.

Last year, we had four of our youth attend Leadership Lab and learn the basics of leadership that can be applied both inside and outside the church. They have each come back, changed by their experience and have become more involved in our congregation. Some are more involved than others, but involved, the same. God has touched each of them in a way that has changed them internally, and sometimes that can be seen externally.

This July, the same youth that went to Leadership Lab last year will have the opportunity to go again, for follow-up training. In addition, all of the 8th grade confirmation class will have the opportunity to go. The tuition is \$380 per youth, not counting transportation, to Rock Island IL. This may sound expensive, but the cost includes 5 nights of lodging and all meals and training.

First Communion Class ◀

Anyone in 5th grade or older that has not had a first communion class is invited to participate in this class. Do you want to learn more about the Eucharist? Come to this class and participate. The classes will be held on Sundays following the second worship service. The first class is February 18. Classes will run five weeks. We will be meeting twice at the Sioux City Art Center, where we will be working on plates and chalices that will be used during your First Communion. Our last Sunday we will bake communion bread. First communion will take place on Easter morning and you will be able to pick which service you want to receive your first communion at. Even if you have already taken communion, this is still a celebration of first communion following the class. Please let Denise Kleinberg or the office know if you would like to attend or want your child to attend. Children are required to have at least one parent/guardian attend each class with them.

What's Important ◀

On February 4, 1968, exactly two months before Martin Luther King Jr. was assassinated, he delivered his last sermon at Atlanta's Ebenezer Baptist Church. In it, he described his preferences for his own funeral. He didn't want people to mention his Nobel Peace Prize, his other awards or where he went to school; none of that was important, he said. Instead, he wanted his eulogist to say King "tried to give his life serving others" and "tried to love somebody."

In that sermon, King also said "everybody can serve," regardless of background or educational level. The only requirements, he said, were "a heart full of grace" and "a soul generated by love."

► New Member Class

Do you want to become a member at First Lutheran? Well, you have that opportunity coming up this month. We welcome you to be part of the congregation. You do not have to have a membership to be involved here. The advantage of a membership is that you can vote in the annual meeting. You can serve on council and represent the congregation at Synod Assembly. Without membership, you cannot do those items, but you can be involved in any other way God is calling you.

On February 9 and 10, we will be holding the "New Members" class. From 6:30 pm until 9:30 pm on the 9th we will be taking a Spiritual Gifts course. We will then meet on the 10th from 8:30 am until 5 pm to continue the course. Depending on how many of the sections we get through, there will be some follow up dates to finalize the course, cover Lutheran doctrine and service opportunities at First Lutheran.

Please look for the signup sheet at the Welcome Center or contact Pastor Doug to get signed up. You can reserve your spot by calling the office, sending an email to office@flcsc.org or pastordoug@flcsc.org.

Lastly, I highly encourage everyone to be part of this class because of the Spiritual Gifts course that we will be taking. Even if you are a member already, consider signing up so you can take the course.

Looking forward to seeing so many!
Pastor Doug

Hiccups! ◀

All of us have had the hiccups—that annoying reminder that we're quite human. They can arrive quite suddenly and leave just as quick. Or they can come and go. And come back again when least expected.

Annoying! Hiccups can happen in other ways, too...in our case, recent 'challenges' in our sound system presented us with mechanical 'hiccups!'

Last fall our hearing assistance system quit working. I guess it wasn't surprising—it was first installed in the 1970's and was just plain worn out. The receivers couldn't be repaired and the transmitter quit sending signals. Thanks to member's assistance, a new system was acquired and installed. And it's working very well.

Our next hiccup caused many issues—the main amplifier started to turn on and off on its own, the power switch no longer turned on or off and volume would go up and down on its own—a true 'ghost in the machine!' Again, a member of the congregation anonymously provided funds to replace the amplifier and the ghost was exorcised!

And then there was the return of the hiccup—or maybe just one last gasping hic. We discovered the Equalizer wasn't working right. I won't go into details, but the equalizer balances the voices, instruments and other signals together and helps avoid feedback. After a visit from a technician, it's working the way it should, the hiccup is gone and our sound is fuller and well balanced again.

So, this case of the hiccups is history. Many of you may have succumbed to the hiccups we faced, too. You may have noted the issues and the sound wasn't to your liking at the time.

I'd like to suggest if you haven't experienced the Spirit Connection service lately, you should stop by at 10:30 and be part of it again. I think you'll find the sound—and the service—has improved greatly over the last several months.

Come to the Spirit Connection—and leave your hiccups behind!
J.R. Reider, Contemporary Music Director

► **First Lutheran Church Pantry**

Did you know that First Lutheran has a food pantry? It is open Tuesday-Friday from 9:00 am-11:30 am. In 2017, 764 boxes of food were given out of the office to people who are in need of food, an increase of 80 from 2016.

We have been blessed by several people, businesses and churches doing food drives and/or donating money to our pantry. When monetary donations are received, we are able to buy food from the Food Bank of Siouxland dramatically cheaper than from the grocery store. No money comes out of the general fund for our pantry; everything is done through donations specifically designated for the food pantry.

► **Lent**

The season of Lent begins on Ash Wednesday, February 14, with services at 12:00 pm and 7:00 pm. Both services include Holy Communion and the imposition of ashes. Wednesday services continue for the next five weeks at 12:00 pm and 7:00 pm. Beginning February 21, we will share Wednesday evening services with St. Paul United Methodist Church.

Evening services will be held at First Lutheran on February 21, March 7, and March 21. There will also be a Living Last Supper here at First Lutheran on Wednesday, March 28. The evening services will be held at St. Paul United Methodist Church on February 28 and March 14.

► Siouxland Food Bank

The Food Bank on Thursday, January 4, provided 3,412 pounds of food items and 200 10# bags of potatoes to 79 families that had 164 adults and 104 children. Fifty-six households live in Nebraska and 23 in Iowa.

Thursday, January 18, 73 households received 2,685 pounds of food items. There were 142 adults and 102 children living in those homes. Forty-six Nebraska and 27 Iowa homes received the food.

Thank you to the young people that took their school vacation time to help on January 4. It was good to see our "regular" helpers from the South Sioux City Schools on January 18.

Thank you to the volunteers that faithfully come each time to help with the unloading of the truck, setting the food out and then distribution of the food.

Two members of the Dakota County Voices for Food, Dakota County Extension office, helped, observed and complimented us on the way we were doing things. A brochure was given to each family, listing the participants in the program and the amount of food that had been distributed in 2017
